vigour in your life.**

AYUVIGO - A

- Improves general metabolic activity
- Relieves different age-related symptoms
- Promotes stamina, vigor, semen and a sense of well-being
- Improves resistance against infections
- Increases physical work capacity by countering fatigue and helping oxygen transport to tissue (for producing energy) during physical exertion
- Increases sperm count
- Improves endurance, tolerance and compatibility during stressful states
- Improves performance in activities that require skill, coordination, concentration, learning and memory

AYUVIGO - A Capsule Contains:

Ingredients	Mode of Action
<i>Mucuna pruriens</i> Extract	Increases testosterone, boosting overall energy levels
<i>Withania somnifera</i> Extract	Increases the sense of well being and improves sexual performance
<i>Tribulus terrestris</i> Extract	Enhances the quantity and quality of semen
<i>Anacyclus pyrethrum</i>	Cures improper sexual development, rejuvenator, aphrodisiac
<i>Myristica fragrans</i>	An aphrodisiac remedy for men's sexual problems

Most important ingredients of AYUVIGO - A capsules are:

Mucuna pruriens Extract:

- Stimulates the pituitary glands and increases the release of HGH (human growth hormone) production naturally
- Increases testosterone, balancing the endocrine system
- Enhances libido, fertility and lean muscle mass
- Reduces signs of ageing such as wrinkles and body fat
- Increases bone density, boosting overall energy levels

Withania somnifera Extract:

- Increases the sense of well being and improves sexual performance
- Powerful tonic for greater vitality and longevity
- Transmutes to heightened libido thus helpful in spermatorrhea and improves sexual health
- Immunity booster, an overall rejuvenator
